

## **Seminole County Softball Complex**

This softball park is located off Douglas Avenue at the end of West North Street in the city of Altamonte Springs. This is a 38-acre park with its primary feature being five softball fields. All fields have 305-foot fence distances with 10 foot high fencing around all fields. The complex has a wagon wheel design with a three-story building as the hub. The softball complex has concession, restrooms, canopied covered bleachers, electronic scoreboards and playground area for the kids.

This facility has been open since July 1993, and has hosted three (3) ASA National softball tournaments, One (1) Senior World Series Softball Tournament several regional and area tournaments.
